We have agreed to increase all salaries above \$15.00, and less than \$20.00 by 7½%.

We have agreed to increase all salaries above \$20.00 and below \$30.00 by 5%.

✱ We have agreed to commence, not later than the 26th of March, to undertake an equalization of all salaries, and whatever changes are made to be retro-active to that date.

✱ It has further been agreed that individual stores will sign no written contract but they will authorize their attorney to file with the Director of Labor a written memorandum of the agreement that we have reached today, and we agree to bind ourselves by what is contained in that written memorandum.

On the matter of percentage increase on wages, it is understood that any wage of an employee that has already been increased since February 1st of this year, will not be subject to the percentage increase herein mentioned, unless the increase which he has already received does not equal the amount that it would equal had this percentage applied to his wages of February 1st.

I believe that is our statement.
